What our corporate clients have written about us

Hello. My colleagues were satisfied, and on their behalf, I would like to thank you for all the services provided.
M. O.

Hello,
On behalf of our Prague and Bratislava offices, I would like to thank you for organizing our event at the Amenity Resort Lipno. Everything was perfectly prepared on your part, and check-in was smooth. Our event ran without any major organizational hiccups, mainly thanks to the on-site arrangements. Please thank the restaurant manager and his team – the food was excellent and the service was great. Everything was under control and our every wish was fulfilled immediately. We only made limited use of the leisure activities, but even so, everything was prepared according to our specifications. We would be very happy to return to your resort in the future, whether for business or private travel.
Thank you and best regards
D. L.
