Hello,  
I would like to thank you very much for everything :-> We were extremely satisfied and the hotel runs like a well-oiled machine :-> Everyone was extremely helpful and fulfilled all our „whims“ without any complaints and even came up with more :-> Our participants would have loved to take the entertainers home with them :-> The whole group was thrilled and is definitely considering coming back again next year. It should be noted that this is a very demanding group – they like everything to be perfect :-> Once again, thank you all very much and have a wonderful rest of the day.
