# What our corporate clients have written about us

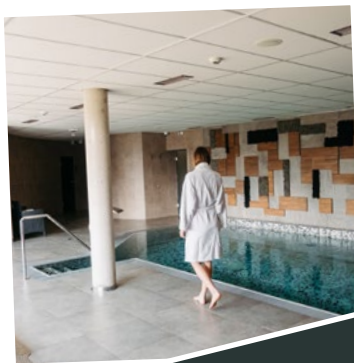

The amenities were absolutely amazing! Thank you. The reception manager opened the wellness center early on Saturday and Sunday mornings, so even though the weather was really cold on Saturday, everyone took turns and was satisfied. I was surprised that everyone worked hard and we practiced the lessons almost in full. We really enjoyed it and we will definitely go again next spring. Thank you and have a nice day, everyone. L.N.

Hello,  
Thank you for a wonderful weekend at your hotel. We were very satisfied with the services, the rooms are beautiful, the breakfast is very generous, the food is generally very tasty, and the staff is helpful. J.P.

Hello.  
Thank you very much for a wonderful weekend, we all enjoyed our stay with you very much. Please give special praise to the receptionist on duty on Saturday and Sunday and the ladies who served us. They had the patience of saints with our "gentlemen's crew" and were very kind to us. M.P.

Hello.  
Thank you very much for your helpfulness and openness. We were extremely satisfied with the quality of the accommodation and services. We must highlight the dedication of Mr. Lukáš Svoboda, whose work at the reception desk reflects perfectly on your hotel. Any question or request was immediately answered and resolved. I like to praise good service when someone does it well... and we have plenty of room for improvement in the Czech Republic... last week, everything was to our satisfaction. If we plan the same event next year, we will be happy to come again. Have a nice day. P.H.

Hello.  
Thank you very much for your cooperation. The entire event was very successful and all of our clients were very satisfied. Your staff was very accommodating and exceptionally helpful, so I would definitely like to take this opportunity to thank them once again for all the care and time they devoted to us during our stay. J.K.
